

About Us

Neuva (noo-va) Aesthetics is a Medical Spa specializing in non-invasive treatments for skin tightening/resurfacing, body contouring and vaginal rejuvenation. Our mission is to provide the individualized care and attention that you deserve to enhance the natural beauty you already possess. The treatments we provide are safe and effective alternatives to surgery. Relax in comfort and feel the worries of the world melt away as you are pampered in a beautiful and elegant spa-like environment. Sit in the lap of luxury and trust that you are in the hands of medical expertise spanning decades. We cater to men and women of all ages who want to look and feel younger but want to avoid painful surgery. We take pride in providing a subtle, safe, and nearly pain-free approach...because beauty doesn't have to equal pain.
